## About Salisbury House Business Centre

**Salisbury House Business Centre is a modern fully refurbished office building situated on Vernon Walk in the north of the city between the hustle and bustle of Bedford Place and London Road.**

Offering a range of individual offices from 1 to 50 people across four wings over two floors, as well as meeting and conference space, this building is perfect for both startup businesses and existing established organisations in need of a new start or just a bright and confident space to expand into.

Each floor is accessible via passenger lift, benefits from newly installed kitchen points, breakout spaces for casual working and meeting rooms. Every office comes with everything you need from furniture to IT, all included within a single monthly fee.

## Everything is included within a single monthly license fee
